

Sun Valley Parkway Restoration Phase 4

The Maricopa County Department of Transportation (MCDOT) will be performing maintenance on Sun Valley Parkway north of Tartesso Parkway.

A process known as Mill and Fill will be used on this project. All pavement is milled out and replaced with new asphalt. All milled material from this project will be recycled and stored at a MCDOT Stockpile yard for future roadway maintenance projects.

Please observe the lowered speed limit in the work zone. Watch for additional truck traffic hauling materials on Sun Valley Parkway.

Project Overview

- Starts: March 07, 2022
- Ends: June 2022
- Work Hours: 6:00am to 3:00pm
- Lane restrictions will exist during this project
- Though restricted, the roadway will remain open to northbound and southbound traffic
- Machine noise may be heard during the milling process
