

Tartesso Newsletter

Hello neighbors,

As the weather cools and monsoon season comes to a close, neighbors begin to venture outside and participate and/or hold community events. As a reminder, events involving use of fields or other amenities for organized play may have reservation. Otherwise, use is on a first come, first served basis.

Common area storm repairs are underway throughout the community. To contact Kinney Management Services for amenity availability or storm repair updates, please call @ 480-508-4005.
